### PRIVACY POLICY OF MARCOM RMC '94 SRL

**Personal data protection** is a major concern for us, therefore data collected by means of our website are processed according to the applicable legal provisions.

Our website may include links to other websites whose content is beyond our control, therefore MARCOM RMC '94 SRL does not assume any liability for the content and security of these websites.

The purpose of personal data collection processed by MARCOM RMC '94 SRL refers to the supply of products and services, statistics, as well as advertising, publicity and direct marketing (including the receipt of calls to action of direct marketing, SMS messages, e-mails and printouts), information related to products and services (including new products and services), promotions and contests, and any other trade communications including the electronic ones.

The data recorded may be supplied to contractual partners of MARCOM RMC '94 SRL, so that these ones process them to the aforementioned purpose, but only according to a non-disclosure commitment on their part, guaranteeing that these data are maintained secure and the supply of this information is made according to the legislation in force.

**Personal data that may be collected** are general data (name, postal address, phone numbers, e-mail address) and are processed only based on your consent.

Our website mentions the manner in which MARCOM RMC '94 SRL uses or intends to use the services supplied, and may also include other information closely related to the use of services and /or products requested.

#### **Personal data protection**

Personal data collected electronically will be managed under secure conditions and only in order to achieve the purposes, according to the legislation in force including the (EU) Regulations 2016/679 of the European Parliament and of the Council of the European Union dated 27 April 2016. For more details about GDPR, click [here](#).

MARCOM RMC '94 SRL applies technical and organizational processing and security measures corresponding to personal data protection against accidental or illegal situations meant to destroy, lose, amend, disclose or access without authorization, particularly if the respective processing implies data transmission within a network.

Filling in personal data in the registration forms on the website represents Your consent so that the data and information supplied by You enter the database of MARCOM RMC '94 SRL and of its contractual partners.
